

Announcing “Fix 14 Now!” Day at the Capitol

Thursday, February 12  
12:00 noon to 4:00 p.m.  
State Capitol in St. Paul

2015 looks like the year for big transportation reform at the Capitol. All kinds of transportation advocates will be coming to the Capitol for Transportation Day on February 12.

To add the voice of the U.S. Highway 14 Partnership, we’re having a Highway 14 specific “Fix 14 Now” Event. It’s time to fix transportation in Minnesota, so let’s make sure U.S. Highway 14 is at the top of the list!

We have meetings set up with our Corridors of Commerce authors, Rep. John Petersburg and Senator Vicki Jensen, as well as the chairs of the Transportation committees, Rep. Tim Kelly and Sen. Scott Dibble.

Where: Meet at Flaherty and Hood, 525 Park Street, Suite 470 in St. Paul

When: 12:00 noon on Thursday, February 12, 2015

What: We will review our “Fix 14 Now” message, then go to meetings with key legislators. At the end of the day, we’ll have a brief meeting to collect our stories.

Please let me know if you are able to attend. Attendance is free, but we will not be serving food.
